Charity Mission

The Sacramento Ronald McDonald House offers families facing a medical crisis a place to rejuvenate and re-group away from the hospital. Our goal is to provide a safe haven of comfort and support so that your family is able to put 100% of your focus into your child's recovery. From the moment you enter our doors, we want your family to be comfortable. But most importantly, we want to provide you the support you need so you can focus on the most important thing – your child's healing.

How to Utilize Day Pass

1. Contact your hospital Social Worker to request a Ronald McDonald House NorCal Day Pass.
2. With a confirmed reservation, come on over for a quick tour of the House!
3. RELAX!
